Whirrrrrrr

So that happened.

Syrupy Love
chapter 5
どろどろと恋 第五話

And then why are you coming to my place again, huh?

Don't say it like that.

Who knows.

For my body?

You say that even though you used me as bait.

Because I protected you from men's hands.

There's a compatibility factor, even for women.

カチ *click

But I've only done it with women.

ガッ *grab

Tsubasa.

Hihi, but you don't get it,

You even like this?

You're fine with terrible partners like me, aren't you?

Hasn't it been a while? Since your father beat the hell out of you...

It reminds me of that time you came here all pissed off.

What kind of mental change did that bring about?

Don't you want to run away from the bad things in life by drowning yourself in pleasure?

You can completely relieve yourself from your stress and your discontent.

I'm sorry that you were betrayed Tsubasa-chan.

always say too much?

Why do I

Watching an abandoned child as she opens her heart and as her world builds up was...

I guess that was interesting for you.

I hope you don't have any intention of betraying me.

Tssk.

TL/N: Present Tsubasa and Jun are talking over this flashback.

That was the climax.

I was satisfied seeing your desperate face.

Yeah, that was fun.

イラッ *pissed off

It's why I couldn't look straight at that face.

you want me to act as you please

and think of me as if I was just a toy.

Then you're like my father,

パシン *slap

Who decided humans couldn't be toys?

Humans are filled with emotions that make them sway from time to time. It's so interesting...

You're not a "thing".

What are you saying!?

You're a human being.

You're the worst.

...

But if it ended here, then it would be a waste. So I reconsidered.

Help... me...?

That's why I helped you.

since you don't care how I feel

I can say it straight to your egotistical self now,

I was stunned,

but it was admirable in that sense.

Angry? Regretful? Or were you sad and wanted to cry on top of that?

Ehh, how did you feel?

You're,

would be a waste of water.

Idiot.

Shedding tears for you

Thank you for showing me the world from another angle and the possibility that everything has a chance to change.

That's right, and I'm thankful for that.

You finally peeled off one layer of your skin.

so cool Tsubasa-chan!

She says "like" so easily too.

That's why I don't want to meddle with the simple idiot who cries reflexively and trusts what people say so easily.

That girl who thinks others can feel the same way she does and is naively happy all the time.

But,

I was able to calm down.

When I was with her, so many things seemed surprisingly simple.

I could enjoy myself and be natural.

I wonder if I wanted to go back to a time when I was honest?

That wound.

Eh?

Misaki...

Did that Misaki-chan take care of your wound?

*shock

How much...?

how much does she know about you?

Hmmm, then,

*slap

She has nothing to do with you.

"I trust you."

Exactly because she doesn't know anything.

She accepted me because she doesn't know anything.

She doesn't know anything.

You find that funny?

pat pat

Poor Tsubasa, your heart and soul must be hurt.

The person she sees in me doesn't even exist in the first place.

I have to make your body go squirmy squirm.

I must not forget to make you feel good.

squeeze

Eh?

First, I have to take away the use of your hands.

Whoopsie,

sorry, sorry.

Don't say her name!

Does Misaki-chan know that Tsubasa-chan can cum just from having her boobs touched?

grope

Well, I guess it's fine.

...

ちゅっ *suck

Ah, haa...

Tsubasa-chan's boobs are small but people say that makes them more sensitive, is it true?

Your panties are dripping a lot!

How wet are you?

Haa Haa

Fuck

But; at least, I'll be more distracted like this.

You're cute when you're drenched.

turning into a toy for Jun suits my timid self well

I was afraid to be disappointed this late, but

Sorry, Misaki

She's probably crying right now I don't understand her

tap

tap

_Yeah,

probably

Probably?

Before I'm even aware of my feelings, I get over-whelmed by tears.

I've been unusually tearful.

What's wrong Misaki-chan? Did some-one do some-thing to you?

Did some-thing awful happen at school?

*close

I'm home.

For some time,

Sometimes I cry without knowing why too.

*tap

Usually I cry when some-thing sad happens.

When I was still a small child, I was invited to a friend's place but nobody was there.

When I was in line at a stand, my favorite keychain on my bag got caught on something and broke.

What should I have done? I didn't know, so I just cried.

Let's think

I didn't think Tsubasa-chan could be an escort like the other girls said.

Being an escort is a bad thing. You don't want people to think that you're doing it.

What, if I told you I was?

So I rejected that thought.

The instant one tear gets out of me, I can't think of anything anymore and

my mind and my eyes lose sight of everything.

I was confused, but time was still passing by. I didn't know what to do, so I neglected these feelings I couldn't understand. I think this is why I couldn't deal with them.

I didn't want Tsubasa-chan to be together with horrible partners; I didn't want her to be sad anymore.

I surely wanted to refute it. In this way I could be an ally to Tsubasa-chan.

At that time, I wondered what the right answer was.

Everything was what I pictured in my head. No...that was actually what I wished for.

However, that was just my plan.

I'm an idiot.

But her eyes look so...

Even now, I don't know the truth.

That's not it.

jump

Please pick up. I beg you, Tsubasa-chan.

*vrrrrr

美咲

*shake

*shake

I don't care what the right answer is.
